

TEENAGE GIRL COLLAPSES

THIS YOUNG GIRL WAS RUSHED TO MEDISONSHIP 3 AT RINGI MARINE BASE

She was very weak, cold and clammy, and her pulse was very fast with shallow breathing. She was muddy as they were working on a plot at Takwa plantation with other students for school fees but due to her watery stools she collapsed. They rushed her towards Ringi Clinic and on their way they spotted MEDISONSHIP 3, so instead of going to Ringi Clinic they turned toward MEDI 3 for immediate medical aid.

We attended to her as soon as she arrived, checked her vital observation than inserted the intravenous cannular to rehydrate her. She was vomiting and continue passing watery stool, we covered her with thermal blanket as her temperature was subnormal. We gave her first treatments; she began to regain her strength.

The young teenage slowly recovered but due to her continuing watery stool and vomiting she needed to be admit at ringi clinic for close monitoring.

Mickson made contact and arranged for one of the vehicles at Ringi to assist in transporting her to the clinic. MEDI 3 then moved to the main wharf where we transferred her to a vehicle along with her referral letter from MEDISONSHIP 3 mobile clinic.

God allowed SONSHIP to be at the Marine base there at that time to help this young girl. Her parents thanked MEDISONSHIP mobile clinic very much for the great help offered to them.

BIBLE STORIES REMEMBERED

BIBLE STORIES REMEMBERED FROM BRANCH SABBATH SCHOOL

Rawaki community is a big community filled with Micronesian adults and a lot of children. VIA (Volunteers in Action) Ghemu requested Bible story books to relate bible stories to little children. On Sabbath he used to do branch Sabbath school at Tahitu.

At one point a teacher told the students about David and Goliath and the teacher said that David used 10 stones to shoot Goliath. One of the pupils who used to attend Ghemu's branch Sabbath school stood up and corrected the teacher. He told the teacher that David used 5 stones but only one stone he used to shoot the giant Goliath.

THANKS SONSHIP MINISTRY FOR DONATING THE BIBLE STORY SERIES.
