

JENNY WISHES TO THANK THE SONSHIP MINISTRY FOR THE BOOKS GIVEN TO THEM AND PRAYERS OFFERED FOR HER FAMILY. SHE HAD EXPERIENCED TREMENDOUS ANSWERS TO A LOT OF OUR PRAYERS. HER PRAYER IS THAT ONE DAY HER CHILDREN'S INFLUENCE WILL LEAD MORE CHILDREN TO HER HOME TO LISTEN TO THE BEAUTIFUL STORIES HER CHILDREN ARE ENJOYING

FAMILY REUNITED

JENNY WAS BAPTIZED AS A SEVENT- DAY ADVENTIST FROM SONSHIP MINISTRY

Jenny is from Kinda at Vonavona Lagoon, Western province, Solomon Islands. Since 2012, her husband separated from her and her two children.

She didn't go through any bible studies but was baptized a year ago. Jenny called us twice concerning her Bible studies, but due to poor communication Bible study did not eventuate. Jenny was very desperately searching for God and wanting someone to help her. During our first week of tour, I received missed calls from her but finally we arranged to meet on Friday at Noro.

When we met, she shared her husband had returned to be with them. Her children had faithfully been saying their prayers every meal time and also praying for their father to return to be with them.

One day Gordon asked his mum why she keeps going to work on the Sabbath day. She told her son, she was afraid to talk to her boss about the Sabbath issue. The next day the boss asked Jenny, what religion she belonged to? She told her boss that she was an Adventist and that she was afraid to tell him about her faith. Her boss said, it was not a big deal and that she can take off days on the Sabbath. That day was a high day for Jenny and she looked forward to returning home to share the good news with her children. She knew God had impressed her son to keep reminding her about Sabbath.

Jenny's husband is now conducting Bible studies for her and her children and she is amazed to see her husbands changed attitude and watch her children eager to listen to the Bible stories her husband reads to them.

This was one volume of the Bible story book given by SONSHIP Ministry.

This is a true repentance both for Jenny and her husband from the amazing power of a child's prayer. God turned a problem home to a God fearing home.

By LUCY JULIUS

We wish to thank SONSHIP donors for donating Bibles and glasses. People in Canaan and around the Vonavona and Roviana lagoons are blessed with your donations.
